The Promise Ceremony on Sunday, October 31st is during the morning worship service. The students will be invited to make a promise to lead a pure life and the parents will promise to support them through prayer and involvement. The congregation will also promise to support and pray for this important commitment.

Parents are asked to present a ring, chain, or other symbol to their child to remind him/her to live a pure life. A simple silver band or chain will be sufficient; however, it should be something to wear or keep for many years. The students will be encouraged to present this symbol to their spouse on their wedding night. You may already have a ring or some other symbol, and that's ok. You do not need to buy another one...unless you want to. It is entirely up to you.

Participating families are requested to sit near the front of the auditorium if possible. Please contact me if you have questions about the ring or any part of the ceremony.
